

**United States Bankruptcy Court  
District of Utah**

***Position Announcement***

UTBC 2016-01

**Position: Java Developer**

**Location: Salt Lake City, Utah**

**Starting Salary Range: \$56,797 - \$92,336 Starting salary commensurate with experience, education and qualifications.**

**Closing Date: Open Until Filled**, Applications submitted by February 19, 2016 are encouraged. Only qualified applicants will be considered for this position, and only those candidates selected for an interview will be contacted. More than one position may be filled from this announcement.

**POSITION OVERVIEW:**

The Java Developers are part of a development team for our nationally-supported CHAP suite applications. CHAP is an application used by Judges and their staff for automating processes within their chambers such as scheduling court time, managing documents, viewing case information, and note keeping. CHAP is made available for up to 350 Bankruptcy Court Judges throughout the United States. As a member of the Chap Applications Team, a Java Developer works with other team members to deliver Client/Server and web based applications on time, within budget, and according to project guidelines. The Java Developer is an individual that is self-motivated, decisive and gets things accomplished.

**WHAT THE TEAM IS LOOKING FOR IN A CANDIDATE:**

- Sound software engineering fundamentals in design, development, and quality assurance
- Planning and executing phases of the software development lifecycle utilizing industry standard methodologies to achieve end-to-end development of client/server and web-based applications.
- Coordinating the full life cycle of IT projects using Java EE, Java, Infomix DB, SQL, Spring JDBC or JPA, JavaServer Faces 2, JSP, Maven, Tomcat, Spring MVC and various server and client-side scripting languages.
- Development leveraging established component libraries (RichFaces, Primefaces, ect) and implementation of custom. JSF Composite Components.
- Documentation of detailed technical and architectural design decisions.
- Develop prototypes and proofs of concept for proposed solutions. Participating in application demos with users and enhancing user experience.
- Optimization and performance tuning of developed applications.

**QUALIFICATIONS:**

Applicants must have **two years of specialized experience** programming in Java, and they should be familiar with the Linux (or related) operating system.

**DESIRED SKILLS/EXPERIENCE:**

- 5-7 years programming experience, with 3+ years programming in Java, JavaFX, and 2+ years Tomcat configuration.
- Strong web application development experience
- Full lifecycle experience on at least one (1) web application development project
- Experience with Facelets or Java Server Pages (JSPs), Servlets, web application frameworks (JavaServer Faces 2, etc), and JavaScript frameworks (jQuery, etc)
- Knowledge and experience with web servers, application servers, and relational database management systems (RDBMS)
- Full lifecycle experience developing Java EE applications
- Knowledge or experience building web applications using web application frameworks (JSF, Struts)
- Knowledge or experience with Dependency Injection and Aspect Oriented Programming (Spring)
- Knowledge or experience with Persistence frameworks (Hibernate and/or JPA)
- Experience using audio recording hardware and software technologies

**CONDITIONS OF EMPLOYMENT:**

All application information is subject to verification. Appointment to this position is provisional, contingent upon a fingerprint and criminal background check. Employees of the judiciary are “at-will” employees, and are subject to a six-month probationary period. Judiciary employees are required to adhere to the judicial Code of Conduct. Applicants must be citizens of the United States of America or be eligible to work in the United States.

**BENEFITS:**

The United States Bankruptcy Court is part of the judicial branch of the United States government. Court employees are not included in the government’s Civil Service classification. They are, however, entitled to the following benefits: paid vacation, paid holidays, sick leave, choice of health plans, federal employees retirement system, life insurance, flexible spending accounts (health and dependent care), long term care options, and the thrift savings plan (the federal government’s 401K plan). This position is subject to mandatory direct deposit for payment of net pay.

**APPLICATION PROCEDURE:**

Qualified persons should submit an 1) Application for Judicial Branch Federal Employment (AO-78), 2) a resume, and 3) cover letter to the address below, or email to [bankruptcy\\_jobs@utb.uscourts.gov](mailto:bankruptcy_jobs@utb.uscourts.gov) Application form AO-78 is available via the court’s website [www.utb.uscourts.gov](http://www.utb.uscourts.gov) or at the address listed below from 8:00 a.m. to 4:30 p.m. Monday-Friday

United States Bankruptcy Court
